

## 2016–2017 Uniform Statewide Assessment Calendar

According to Section 1008.22(7)(c), Florida Statutes (F.S.), and State Board of Education Rule 6A-1.094224, Florida Administrative Code (F.A.C.), each school district must complete this uniform calendar with district-required assessment information, publish the calendar to the district website, and provide it to the department by October 1 of each school year, beginning in 2016–17. Districts must provide completed calendars to schools and include the calendar in their parent guides. In addition, each school must publish the completed calendar on its website.

The statewide assessment information in sections 3 and 4 should not be altered; however, districts may otherwise modify and populate this template to accurately indicate their assessment schedules for the school year.

### 1. Glossary of Assessment Terms

The following glossary includes definitions of assessment terms and explanations of acronyms used throughout this template. Districts may add rows as needed for additional glossary terms that are specific to district-required assessments. Do not modify any other information in this section.

### 3. Required Statewide Assessments

The following assessments are required for students as indicated in the Students to Be Tested column.

Populate the **District Window** column for each assessment in the table below. Do not modify any other information in this section. When calculating total test time in Section 6, do not include times for assessments indicated by grey rows, which indicate duplicate assessment windows (e.g., EOCs), assessments that take the place of another assessment, or assessments that do not have a specified testing time.

### 4. Statewide Assessments for SELECT Students

The following assessments are only intended for selected students/students in certain sub-groups. Populate the **District Window** column for the assessments in the table below. If an assessment is not being administered in your district, indicate “N/A” in the District Window column. Do not modify any other information in this section.

Because the tests included in this section are not administered to all students or, in some cases, are optional for students, the testing time for these tests should not be included in the total testing time calculated in Section 6.

<sup>1</sup> Paper-based accommodations (e.g., regular print, large print, braille, one-item-per-page) for computer-based tests are available to eligible students if indicated as an accommodation on an IEP or Section 504 plan.

<sup>2</sup> Any student taking an FSA ELA Retake or EOC assessment who has not completed the session by the end of the allotted time may continue working up to half the length of a typical school day.

<sup>3</sup> Any student taking an NGSSS EOC assessment who has not completed the session by the end of the allotted time may continue working; however, testing must be completed within the same school day.

<sup>4</sup> If indicated, “applicable students” relates to the sub-group(s) of students who *may* take that assessment; it does not indicate that all students throughout the state in that sub-group will take that assessment. Assessments for which no applicable student group is listed are available to students as needed but are not limited to any specific sub-group.

<sup>5</sup> The FSA Algebra 1 EOC Assessment is only offered as a separate Retake assessment during the Spring administration; students retaking the FSA Algebra 1 EOC in Fall, Winter, or Summer participate in the regular EOC administration.
